

## Ameritex Services— Omaha, NE

The dryer has exceeded our expectations in every way. The only regret I have is that we didn't buy it sooner!

"We recently purchased a new 300 PT Dryer from Braun. The dryer has exceeded our expectations in every way. The Braun sales representative told us that the new dryer would dry in half the time as our previous dryer. I am thrilled to say that we are getting three loads dry in the time that we used to get one load dry. The only regret I have is that we didn't buy it sooner!"
