

Topper Linen and Uniform Service— Toronto, Canada

The installation was plug and play achieving the production quality we wanted right from the start-up.

“We are pleased with continuing our 40 year relationship with our valued supplier G. A. Braun, with the most recent installation of a Braun Precision Series Single and Two Lane Folder/Crossfolder. The folder installation was plug and play achieving the production quality we wanted right from the start-up.”

Tim Topornicki
President
